1. Overview

The year brought steady growth across all regions. Revenue rose by 18 percent, and the number of customers who use the service every week passed 40,000 for the first time.

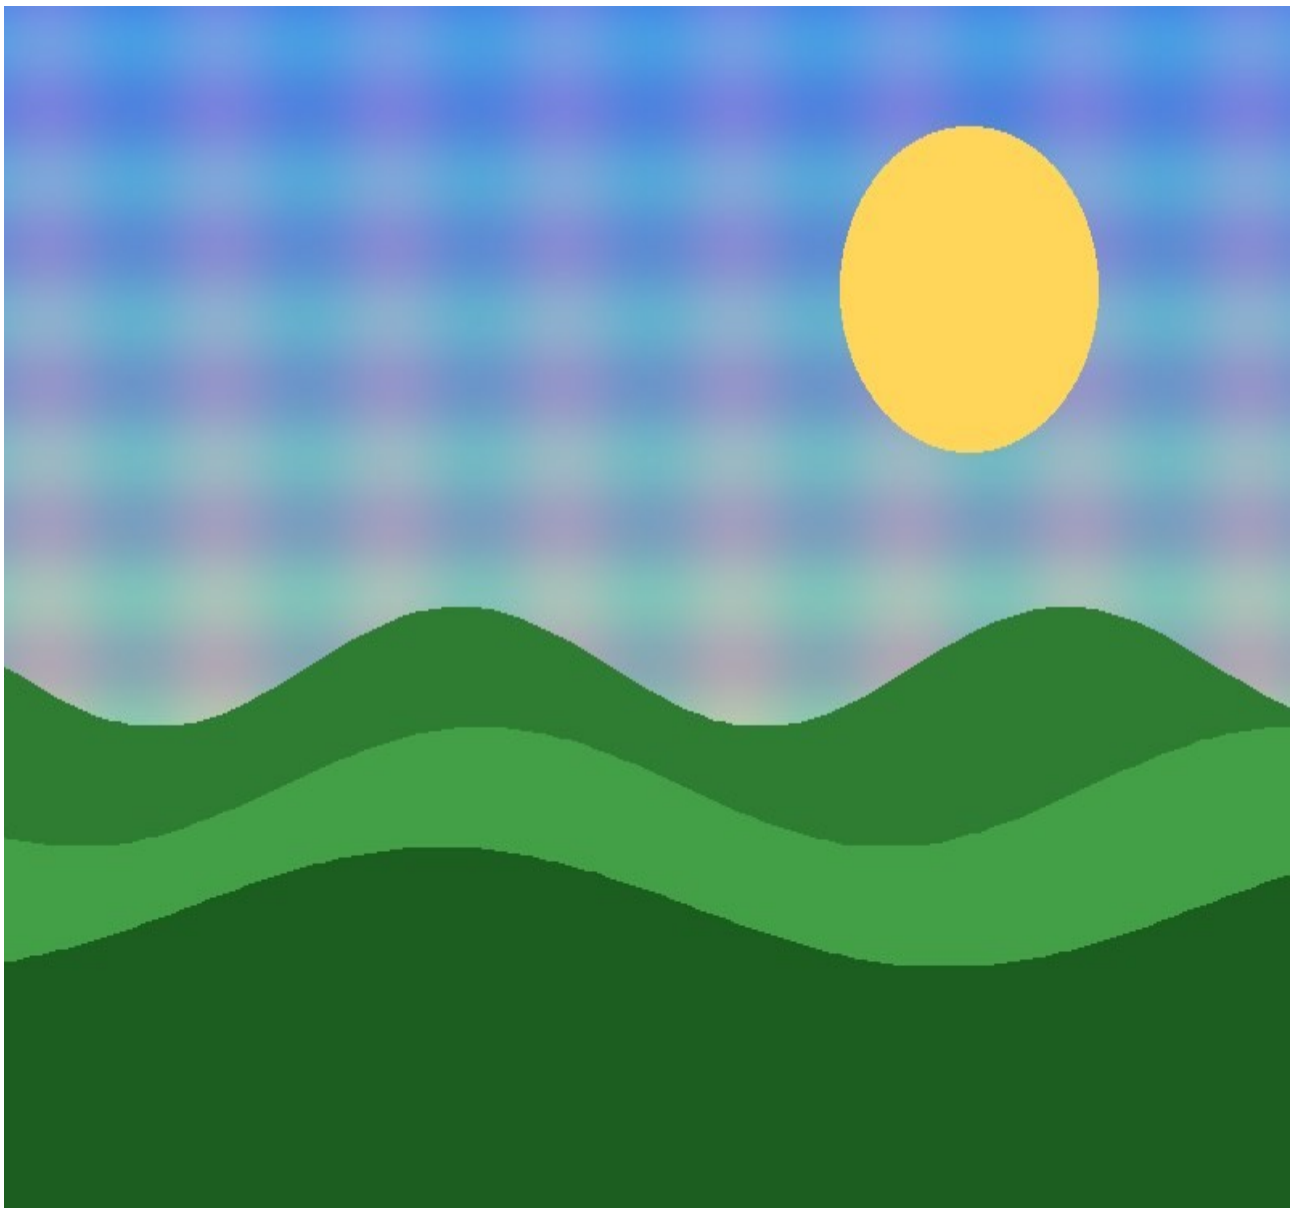

Figure 1. Our new office in the hills.

> *“Keep it simple, and make it last.” This principle guided every decision this year.*

1.1 Highlights

- Three new products launched, including `Smart Edit`.

- Support response time fell from 9 hours to 2.
- The archive service now keeps every document for ten years.

2. Results

Q1 Q2 Q3 Q4

Region	2025	2026	Change
Bagmati	412	498	+21%
Gandaki	188	214	+14%
Koshi	240	271	+13%
Lumbini	205	247	+20%

3. Outlook

Next year we expect growth of 15 to 20 percent. Read more on pdfa.org, where the PDF Association explains why archives use PDF/A.

3.1 Risks

Prices of paper and energy may rise. We hold enough stock for six months.
